Subject: Status of Outstanding Cessation Order MC-04-01-08(1), Cherry Hill Park Mine
M/049/0021, Utah County, Utah

Dear Mr. Powell:

On November 6, 2004, you were issued a Cessation Order for conducting mining operations without a valid mining permit. While you did comply with the terms of the cessation order to abate the violation, the final civil penalty assessment (\$1,760), which was sent to you on March 4, 2005 has yet to be paid.

Please remit payment of this fine by April 15, 2013. Failure to do so can result in the Division turning this over to the State Office of Debt Collections, which may affect your credit rating.

Thank you in advance for your prompt attention to this matter. If you have any questions, please call me at 801-538-5261 or Lynn Kunzler at 801-538-5310.

Sincerely,

Paul Baker
Minerals Mining Manager
Minerals Regulatory Program
